

Modern Canadian silversmithing is alive and well and exciting.....

Mace made by Beth Alber for the University of Ontario Institute of Technology

Gift of the caucus to Hon. Prime Minister Pierre E. Trudeau,

Made by Lois E. Betteridge - bronze, silver and stones—the stones representing the 13 provinces

An Idea of North, made by Anne Barros, 2004

Sterling silver, recycled fur, 28 x 12 x 8cm Collection of Canadian Museum of Civilization, Hull, PQ

Lois E. Betteridge contribution to Laura Brandon's "Illuminating" project celebrating Crafts. It is called *Cinque Foil, Five Crafts*. There are five crafts represented silver, glass (beads) on a leather circular piece, on a ceramic dish on a handwoven piece, on two pieces of wood. One from the West coast the other from the East.
